## Nuevos Libros

### Referencia

#### Atlas of the United States History: Mapmakers for the 21<sup>st</sup> Century

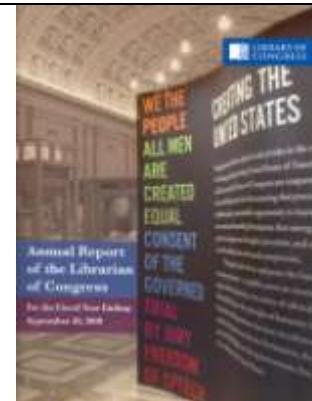

This historical atlas geographically portrays the unique growth of the United States from wilderness settlements to the World's most powerful nation. From the continent's original inhabitants - the Native American- to the present day, these fascinating maps, arranged chronologically, clearly and comprehensively tell the American story.

### Bibliotecas

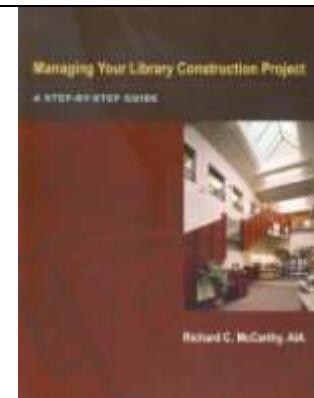

#### Annual Report of the Librarian of Congress: For the Fiscal Year Ending September 30, 2008

In Fiscal Year 2008, the Library sought new ways to serve and to involve members of Congress, their staff members and their constituents in Library programs and activities. During 2008, the Library welcomed more than 1.6 million onsite visitors... provided reference services to 545,084 individuals... recorded a total of 141,847,810 items in the collections...

## Managing your Library Construction Project: a step-by-step guide/ Richard C. McCarthy

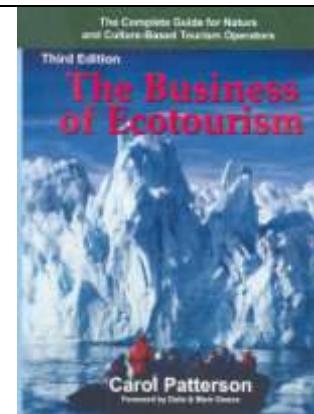

This authoritative overview is filled with practical advice for understanding key relationships and managing a complex process. Library directors, professionals, administrators, and trustees will learn what the responsibilities are on both sides.

## Eco Turismo

### The Business of Ecotourism/ Carol Patterson

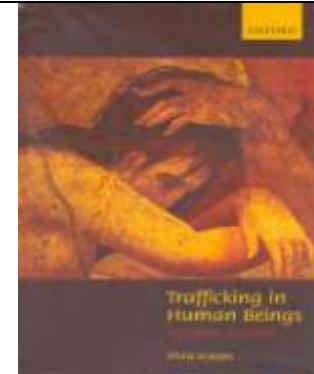

In this work, the author discusses the key elements of sustainable tourism and provides ideas on how to succeed in the industry without compromising environmental principles. She also covers such topics as building important partnerships, developing cultural tourism strategies, building tour packages, organizing festivals, and understanding business risks.

## Tráfico de Personas

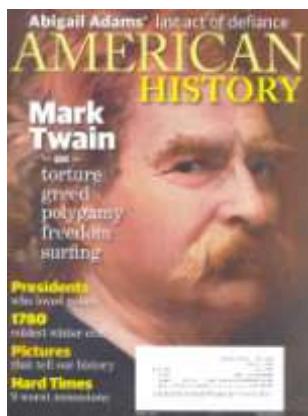

### Trafficking in Human Beings: Modern Slavery/ Silvia Scarpa

This book examines trafficking in persons in the light of the recent definition of the phenomenon given by the Protocol to Prevent, Suppress and Punish Trafficking in Persons, Especially Women and Children, and it analyzes trafficking causes and consequences, and the most common forms of exploitation...
